Brave New World Timeline:

Editor's Note: After having a fight with Gayle, Solar leaves Earth and travels into the past and manipulates a planet to be Earth-like. This is not an alternate reality, but placing these events in the regular timeline seemed out of place.

- 13.75 Billion Years Ago** Solar travels back in time to witness the beginning of the universe.
(Solar, Man of the Atom #49)
- 4.5 Billion Years Ago** While travelling the cosmos Solar finds a solar system remarkably similar to Earth's. He decides to make amends for previous sins and reshape this planet to be a replica of Earth.
(Conjecture: Assumes the solar system he finds is the same age as our own.)(Solar, Man of the Atom #49)
- 1925** Solar makes a small change to the gene pool which brings on the creation of the Specials, humans with extraordinary abilities.
(Conjecture: Solar said he did this "during the 1920's.")(Solar, Man of the Atom #49)
- 1940** Ultimax, the first Special, reveals himself to the public.
(Conjecture: Sentry refers to him as "Earth's number one hero for over fifty years.")(Solar, Man of the Atom #50)
- 1941** Martin Stevens, a GI, becomes American Ace, the second Special to reveal himself to the public.
(Conjecture: Newscaster says this took place in "the 40's.")(Solar, Man of the Atom #49)
- The Lightning Brigade forms, a group of Specials that fight against Hitler in World War II.
(Conjecture: Phil Seleski says this happened in the 40's. I used the same year the US entered the war.)(Solar, Man of the Atom #46)
- 1944** American Ace is trapped behind enemy lines and is nearly killed. Solar intervenes and saves American Ace's life.
(Conjecture: During World War II.)(Solar, Man of the Atom #47)
- The US constitution is amended to allow Specials to have executive powers during times of crisis.
